# Wastewater Treatment Processes

## Preliminary Treatment

Screening

Grit Removal

Preaeration

Flow Metering and Sampling

#### Primary Treatment

Sedimentation and Flotation

### Secondary Treatment

Biological Treatment Sedimentation

# Tertiary Treat. (Advanced)

Chemical Phosphorous

Removal

Biological Nutrient

Removal

Multimedia Filtration

#### Disinfection

Ultraviolet Irradiation

Chlorine Gas

Sodium Hypochlorite

Calcium Hypochlorite

## Solids Treatment

Digestion

Dewatering

Disposal
